

Westland Community Schools, (the District), supports educationally relevant out-of-state educational travel opportunities for its students. Nevertheless, the District will not be liable for injury or death to students or others who choose to participate in out-of-state educational travel opportunities sponsored by the District. Nor will the District be liable for any expense incurred by participants or their families, regardless of the reason for the expense. Therefore, the parent(s) or guardian(s) of students who wish to participate in District sponsored educational out-of-state travel opportunities, or the adult student or adult participant, must sign this form in order to participate.

1. I (we) understand the District will not be held liable for any injury, death or expense arising from or relating to my (our student's) participation in District sponsored educational out-of-state travel.
2. I (we) release the District (including its employees and agents [collectively "the Released Parties"]) from any and all claims, demands, suits, actions or causes of action whatsoever, including those for negligence, arising from or relating to my (our student's) participation in District sponsored educational out-of-state travel. This release is intended to be complete and all encompassing, including claims for injury, death or expense.
3. I (we) agree to indemnify the Released Parties and hold them harmless for and from all actual attorneys' fees and litigation costs, settlements, liabilities and judgments arising from or relating to all claims and other matters released in paragraph two above.

**I HAVE READ, UNDERSTOOD AND AGREED TO THE TERMS OF THIS DOCUMENT.**
